

## **GRANT GRILL LOUNGE**

*326 Broadway, Downtown San Diego*

The historic US Grant Hotel's premiere restaurant, Grant Grill, has undergone a facelift. The space now has a crisp new look and name: Grant Grill Lounge. The new design emphasizes modern sophistication with a hint of urban playfulness. In addition to its new look, Executive Chef Mark Kropczynski, Chef de Cuisine Chris Kurth and General Manager Jeff Josenhans have teamed up to create a bar menu befitting of the new space. Try the Ginger 'n' Honey cocktail, which is a combination of Bulliet Bourbon, honey and ginger-infused simple syrup, lemon and a candied ginger cube. Pair it with a dish from the kitchen, such as the Calamari Tempura or Chilled Baja Prawns. Entertainment at the lounge includes live jazz performances four nights a week and a live DJ on Friday and Saturday.
