BAR NONE!

THE PARTY The iconic Rancho Bernardo Inn unveiled its sleek new sports bar, designed by La Jolla's Esteban Interiors. **THE SCENE** Props to RBI for tapping all local talent, including Urban Timber, which enlisted locally reclaimed wood for bar tables. **THE HIGHLIGHT** Ladies love Esteban, as lighting is never an afterthought. Here, he brought in Jonathan Adler, Circa Lighting and pendants by Tom Dixon, creating a mod element of surprise. The sports bar has never been this chic. Game on! —*Gillian Flynn*
