

## TIMELESS AND TIMELY

New introductions for 2009 in both Karastan carpets and rugs offer a nice range of neutrals and blues. The addition of some designs in a 10-foot round fits perfectly with a 60-inch table. Available at Coles Fine Flooring, Morena and El Cajon.

## DESTINATION DESIGN

Once again the classic Grant Grill bar and lounge has been redesigned — this time by Esteban Lopez and James Niebling of La Jolla's Esteban Interiors. Custom pieces designed by Lopez play well with Moooi chandeliers, Ligne Roset sconces and dining chairs, and Bisazza mosaic tile walls. Settle in, drink, nibble and listen to some music vibes in the new ambience. Grant Grill Lounge, U.S. Grant Hotel, downtown.
