1 BULTHAUP SOLITAIRES - PREPARATION ELEMENT

bulthaup recently debuted solitaires for kitchens and living spaces. The preparation element, one piece in the series, can be placed anywhere in the room and is accessible from all sides. The solid oak or walnut top is treated with food-safe oil, so owners can prepare food directly on the surface. Users can also choose from a range of functional elements including a grid, chopping board and pullout shelf boards. To learn more visit, milan2014.bulthaup.com.
