

# ESTEBAN INTERIORS + KETTNER EXCHANGE

## Luxe Organic Lounge

### Inspiration

Esteban Interiors was inspired by Kettner Exchange's organic use of natural materials and rich history themed on William Kettner. From their suspended two-story raw wood ceiling sculpture, their living wall, to their use of mixed metals. Esteban Interiors was able to build a vibrant lounge space that reflects how William Kettner would have elegantly entertained in his "Luxe Organic Lounge." Executive Chef Brian Redzikowski's corn soup highlights the summer season's most beautiful heirloom tomatoes and California favorite, Brentwood Farms corn. Chef Redzikowski accentuates simple and fresh ingredients and uses his okonomiyaki as a fun juxtaposition for a more complex twist on the traditional corn fritter.
