Inspiration

Esteban Interiors was influenced by AVANT's focus on inspired culinary exploration and leisurely socializing. Designing a modern "lounge" is the perfect setting for sampling the freshest seasonal ingredients in a relaxed yet elegantly chic style. A mix of natural elements and textures such as live edge wood, petrified wood, dried branches, stone, hide, and natural fiber fabrics produce the perfect ambiance for AVANT's creative dishes and artisan libations that embrace items foraged, farmed, hunted or fished. A playful mix of geometric shapes and organic patterns form the perfect balance and backdrop to modern eclectic entertaining.
