One thing that 2020 taught people was that home is truly where the heart is. For Esteban Interiors they continued to design and create unique spaces within residential and commercial properties from renovating home offices to creating a backyard oasis. Their ethos behind their business is exceeding client expectations, developing long-lasting client relationships, and staying ahead of the “design curve.” With almost 20 years of history in the community of San Diego and 30 years in the design industry, Esteban Interiors continues to strive and break new barriers and provide the most innovative designs.

Esteban Interiors is the premiere design service team located in Mission Hills San Diego and La Jolla. With their keen eye for design, they bring cutting-edge design ideas and products to the table. Their specialty is elevating residential, hospitality, and commercial spaces. What sets them apart from their competition is their award-winning eclectic aesthetics, professionalism, and strong communication with their clients. “What sparked my interest in the design industry is transforming a concept or an idea into something real and tangible. The artistry and creative outlet come

from great interior design,” says Chief Creative Officer Esteban Lopez. They offer a wide variety of services using high-end material including lighting plans, custom furniture, color consultations, window treatments, product procurement, accessorizing, and styling. With packages and a la carte options available, Esteban Interiors provides excellent services tailored to each client. They will make all of your design dreams come true. “My favorite activities are designing custom furniture and creative problem-solving,” says Esteban.
