

## Pale and subtle

Opposite: Barbara Barry's new *Watercolors* wall covering, fabrics and trim collection for Kravet gives us blues as cool as a limpid pool, pink as soft as the inside of a seashell and subdued florals. Through your designer at Kravet, Bay Ho.

## Serenity

Richard Ginori's new *Vanity* porcelain sets a serene spring table. Neiman Marcus, Fashion Valley

## Moon glow

Below: Sina Pearson's new collection of stain-resistant textiles called *Secret Garden* is her nod to Aubusson tapestries as if seen by the light of the moon. The glint of light comes from metallic threads interwoven with the flowers. Through your designer.

## Flower-filled

Above: Kalos Designs shares a space with Kate Ross and offers decor like these paintings on Kirei board. Kate Ross Shoes/Kalos Designs, North Park.

## Light buzz

Jonathan Adler lighting now is in the Esteban Interiors showroom along with new Design Tex sustainable fabrics. Esteban Interiors, La Jolla.
